

Basic NLP Practitioner
Online Training
Sep. 2024

**Course Accredited by The National Federation of NLP
(NFNLP) - USA**

Dunia Haddad is an accomplished professional with extensive experience in the neuroscience, facilities management, training, and project management sectors. Currently serving as the MEA sub- region head of facilities management for Orange Business, Dunia excels in leading teams, managing complex projects, and ensuring operational efficiency.

With a strong educational foundation in economics, management, neuroscience and psychology, Dunia holds multiple certifications, including the Certified Fraud Examiner, ISO Internal Auditor, NLP Master Trainer and an ISO Lead auditor.

In addition to her role at Orange, Dunia is the General Manager and the Lead Trainer at Leverage Professional & Management Development Training, where she specializes in Neuro-Science, corporate training & consultancy. She also manages the business operations at DTech Pro Solutions, overseeing projects in IT and marketing, as she completes her role as the Marketing Director of the Association of Certified Fraud Examiners - Lebanon Chapter, where she continues to develop and implement comprehensive marketing strategies.

As a Neuro-Science Expert and Educator, Dunia brings a unique blend of scientific insight and practical application to enhance personal and professional development. Passionate about fostering better relationships and understanding through neuroscience, Dunia runs a personal blog focused on men's sexuality and relationship challenges.

Dunia is a dynamic keynote speaker, with recent engagements highlighting the intersection of Neuroscience with the different subjects like: AI, Energy & Sustainability, Standard Compliance, Crime Investigation and other popular topics in the Middle East and the world.
